LONDON

## MAP Maison - your home away from home

MAP Maison is a sophisticated cocktail bar with a premium range of spirits and a meticulous blend of art, music, design, food and drinks. Cocktails are our pursuit; we love them and we want our guests to experience not only the taste but the skill, care and love that goes into making them. The interior design is a creation of beautiful tiles, dark wooden cabinets, exposed brick and rose copper fixtures. The love that underpins the creation of the venue and the devotion to spirits and cocktail making makes MAP Maison a unique experimental London cocktail bar. In addition to the cocktails guests can enjoy afternoon tea, masterclasses, an all-day small plates menu, wine & champagne as well as bespoke private events.
